

## WORKSHOP

### "Implementation of EGNOS based approach procedures in Ukraine"

National Aviation University  
(Kyiv, Ukraine)  
16 March, 2016

# UKRAINE

UKRAINE – UKraine Replication,  
Awareness and INnovation based  
on EGNSS

HORIZON 2020

## DEAR COLLEAGUES!

You are welcome to take part in the international workshop "Implementation of EGNOS based approach procedures in Ukraine", which will be held at the **National Aviation University on March 16, 2016**. This workshop is a part of UKRAINE (UKraine Replication, Awareness and INnovation based on EGNSS) project, which is a H2020 Innovation Action (under H2020-Galileo-2014-1 call).

Place and time: NAU, build. 1, 3-rd floor – meeting room; registration of the participants 9.30 – 10.00, workshop 10.00 – 13.30). The official languages are English, Ukrainian and Russian.

## THE OBJECTIVE OF THE WORKSHOP

The workshop is directed to the extension of EGNOS use in the civil aviation sector of Ukraine. In particular, the ways of implementation of EGNOS based approach procedures using international experience and former research in Ukraine will be discussed.

## Preliminary Agenda of the Workshop

Welcoming speech from Ukrainian and European sides  
NAU activities in UKRAINE project to foster EGNSS implementation in aviation sphere in Ukraine (NAU, Ukraine)

Advantages of PBN implementation, experience, lessons learned (PildoLabs, Spain)

GNSS interference monitoring - securing critical infrastructure for aviation (TCA, Austria)

LPV procedures - how to analyze the costs / benefits (Advies de With, Belgium)

The progress of PBN implementation in Ukraine: general overview and challenges (SAA, Ukraine)
