

**ANNEX No.2**  
**to SPECIAL PILOT TRAINING AGREEMENT**  
**(EASA ATPL(A) INTEGRATED COURSE)**  
**Selection procedure of NAU students**

1	Student is ready to come to CZ in the middle of July 2023 for pilot training and stay up to 18 months	YES	NO	if "NO", not possible to continue in selection procedure
2	Student's Certificate	YES	NO	if "NO", not possible to continue in selection procedure
3	Statement from the academic record	YES	NO	if "NO", not possible to continue in selection procedure
4	Student has any ICAO medical class 1 certificate (not need to be valid)	YES	NO	if "NO", not possible to continue in selection procedure
5	Student has financial resources (money) for the following items and is able to cover the costs as described - written declaration	YES	NO	if "NO", not possible to continue in selection procedure
	Accommodation to be paid by student			
	7/23-8/23 162,5€/student/month	325 €		
	9/23-12/23 230,25€/student/month	921 €		
	1/24-12/24 253,25€/student/month	3 039 €		
	Accommodation Total 18 months	4 285 €	it is a part of 7 000,-EUR required for visa issuance	
	EASA medical class 1 check and revalidation to be paid by student	615 €		
	student participation for training courses	282 900 CZK cca 12 000 EUR		if "NO", not possible to continue in selection procedure
	total other student costs according Annex 3 including accomodation and EASA medical class 1 check	5 234 EUR		if "NO", not possible to continue in selection procedure
	All above costs to be paid to F AIR before training			

6 Psychodiagnostic Performance Intelligence Structure Test - online, supervised by psychologist, identity check based on ID or passport **YES = The first 30 best students will continue to interview part**

7 Interview and other inputs - online, face to face, 2 evaluators (F AIR), identity check based on ID or passport	Value	Points (total - maximum: 55, minimum: 5)				
Direct questions related to aviation knowledge, motivation Based on questions - evaluation of:						
- level of knowledge	1	1	2	3	4	5
		<i>Insufficient</i>	<i>Below average</i>	<i>Average</i>	<i>Above average</i>	<i>Excellent</i>
- level of English	2	1	2	3	4	5
		<i>Insufficient</i>	<i>Below average</i>	<i>Average</i>	<i>Above average</i>	<i>Excellent</i>
- level of motivation	1	1	2	3	4	5
		<i>Insufficient</i>	<i>Below average</i>	<i>Average</i>	<i>Above average</i>	<i>Excellent</i>
<b>The following inputs will be taken into account</b>						
- Student's attendance at F AIRi initial theory lessons from 11-2022 till 04-2023	4	0	1	2	3	4
		0-49%	50-60%	61-70%	71-80%	81-90%
- Results from NAU (average of university subjects results from the beginning of studies until the end of winter semester 2022/2023) (average of results will be provided by NAU)	1				1,0 - 5,0	
					Calculation: 6 - average = number of points (e.g.: 6 - 1,3 = 4,7, or 6 - 5 = 1)	
- Holder of PPL(A) Licence	2	0				5
		No PPL				Holder of PPL

**Based on results in the interview part the ranking of the students will be compiled from the 1st up to the 30th student.**  
**In case of same number of points, points of level of English have higher value.**
